FLOOR DEBATE

February 9, 2006 LB 173

line 15, I would strike the words "engaged in" and substitute the word "doing." What is being defined here is "financial organization," and it says, after listing these various entities, "engaged in business in this state." I would like to ask...line 16. Excuse me, just a minute. I have to...let me check with Senator Hudkins here. Is Senator Jensen on the floor? Is Senator Jensen here? I can't see if he is. I'd like to ask him a question.

SENATOR SCHIMEK: Senator Jensen, would you respond?

SENATOR CHAMBERS: Senator Jensen, I'm on page 1, line 15, and
